| <input type="checkbox"/> | I can use a cell phone to call for help. |
| <input type="checkbox"/> | I know CPR. |
| <input type="checkbox"/> | I know how to call for help. |
| <input type="checkbox"/> | I know how to plan an exercise activity. |
| <input type="checkbox"/> | I know who to call to plan an activity. |
| <input type="checkbox"/> | I can get information about local events that support good health. |

Health History Summary

*As you make the transition from pediatric to adult health care, you will be assuming more responsibility for your health care. When you go to your new adult doctor (or other health care provider), you will be asked about major health events in your life. **Have a parent help you fill out this form** and take it with you when you go to your new adult care doctor (or other health care provider) and you will be prepared for the questions that you will be asked.*

How would you describe your overall general health? (Please circle one and add comments if you want to)

Fair Good Excellent

What are your special health care needs? Is there anything in particular that your doctor needs to know about your special needs?

As a child and teenager, what were your major health problems?

What medications are you **currently** taking?

Medications:	What is it taken for?	How Much? (Dose)	How Often? (Schedule)

Health History Summary

Allergies or adverse reactions to medications

Are there any medications that you have taken that have caused you problems?

Medication	Reasons no longer taking medication

Food or other allergies: (include bee stings)

Food or substance	Reaction and Treatment

Past medical history:

Your birth weight _____ Were you born early? _____ If so, how many weeks early? _____

Did your mother have any problems with her pregnancy or delivery of you? _____

Were you hospitalized at the time of your birth? _____ If yes, how many days? _____ Or weeks? _____

What problems did you have at birth?

Please list any serious illnesses you have had and any injuries that included loss of consciousness.

Please list hospitalizations and surgeries you have had and include the dates and places.

Health History Summary

Personal health history: Have YOU ever had the following:

Condition:	Yes	Age
